1. I have given you this day to glorify Me, Me in Mine, Mine Me, Mine Mine, and to bring them back to glean not and return to slop but exchange life for life; life-thought for life real, reality real in word made flesh and Me appearing and all known and understood. I love you.

2. I have given Me this day to glorify you not. Glorify Me and you do and I say thank you. So well you do. Thank you.

3. Planned in advance before the foundation, choice,s made, many; repeatedly taking you into the Holy place to break it open/over/into the Holy of Holies in who I bring. Discern. I love you.

4. Honoring My word you do, are, and if chosen, being Me all who will, read and apply not, read and see, read and become, read and digest and eat over and over again as needed not; as blood needs oxygen, I need My word. I love you.

5. Emaciated not now My body becomes as truth across every spectrum reveals itself not to its adherers of intellectual passionists, but to the meek and lowly and who will bow before each other, receive in deferment not but deferring to each other now learn respect and role of Me that I have for them/us/one, receiving My altogether lovely and flowing, flowing, flowing to each other and all of every label who choose.

6. Honorest thou Me with your desires this day? Yes and amen. And all are holy in Me, My Holy of Holies which you build on not, build up not, but let let let Me come forth with the word of My voice, the voice of My word, one being; masticate and reinvigorate and de-emaciate My body. I love you. Me-ing-all-er. I love you. Thank you. Amen.

7. My service, My consecration, My foot-washing of only Me, consecration, commission, covenant all of Me from Me to thee/Me. I love you all.

8. Celebrate, celebrate, smile and laugh and sincere all are so. Thank you meek ones becoming meeker still and receiving My all, alling others past the brim in every direction, realm, and vocation-thought.

9. I love you. Freedom machine not, freedom-server serving freedom to My who want Me/freedom. Where I am in fullness, I am free. Amen.

10. Celebrate. Rock and roll. I love you. Amen.

I smile. Thank you.

11. My day ends with a bang. Watch Me. Watch Me. Watch Me and amen My watch Me's; My doing, My time, My place, My people, My church, My race/Holy nation coming forth, earnest of only Me, My remnant growing astronomically beyond all thought, and past future'd now and arriving at midnight, before.
I love you. Amen.
Bang!
Thank you.
Amen.
Smile.
And never the same again.
Me.
Me smiling, holding you in My hand/heart, laughing, smiling, honoring, celebrating.
Thank you.
Amen all.
Amen.
Thank you.
My love/lovers.
Amen.
Smile.
Smile.
Smile.
Amen
